**Requests for genealogical/ancestral research will automatically be denied*

Research Question. *What question(s) would you like answered? Please be as detailed as possible.*

Requested Assistance. *Provide a description of the type of research assistance you are looking for. (ex. documents, Tribal Citizen interviews, content review, photographs, video, etc.)*

If interviews are part of your research, please answer the following questions.

1. Can you share the scope of the interview(s), including the theory and practice driving the project, and a list of interview questions to be asked?
2. Do you have a particular sub group that you are looking to interview (elders, gen x-z, preK-12, etc.)?
3. Will your work be panel reviewed (if applicable)?
4. What is the intended end use of the interview(s)? If intent includes publication of interviews in any manner, please explain in detail.
5. What is the estimated time commitment for interviewee(s)?

What is your project timeline? *Some projects require approval from Tribal Council prior to moving forward. This process can take up to one month following the initial review of the request.*

Is funding available to support your research? *The Tribe fully supports Tribal Citizens receiving honorariums for their work on external projects.*

Please share any additional information you feel is pertinent to your request.
